A massive thank you for all your support with learning at home. Our children are engaging more this time. We appreciate the effort the parents and carers have gone to make that happen. We, like everyone else, are disappointed that this virus continues to prohibit normal living and is preventing children from coming to school. We hope that the infection rate continues to decrease to allow the safe return to school for all soon. The first minister has given the date of 22nd February for the return of children in P1-3. For us that will mean, P1 (Miss Gann & Miss Neill), P2 (Miss Henry), P3/2 (Ms Cannon) and P3 (Mrs Wood) will return to school on Monday 22nd February at 9 am. School busses will run as normal. Unfortunately we cannot accommodate the siblings of P1-3 children yet. We will wait for the first minister's announcement for their return.

News

We have great news of two staff members but sad news for us. **Miss Wylie**, one of our Support for Learning Workers, is leaving us this week. She and her partner are expecting a baby and have decided to return to their home town of Dundee. We will keep you posted with news of the baby.

Miss Grace our depute, has been successful in securing a Headteacher's post in Camstradden Primary School in Drumchapel. She will likely leave us later in the month.

I am sure you join me in thanking them both for their work for us and wish them both all the very best. They are now lifelong friends of the Parkview community!

Everything we do at Parkview is based on our values of

Respect, Honesty, Kindness, Inclusiveness and Fairness.

Book Week

We are delighted at the success of our Book Week. This has been organised by Miss Roberts and Miss Foley , our Challenge Leaders of Learning. The parent council also supported us by buying and making up the snack packs. Thank you so much to all for your support. Let's see some photos of reading children on Twitter @PrimaryParkview.

Clothing Grants and Free School Meals

DEADLINE

Applying for free school meals and clothing grant is important as it may open access for other grants and funding opportunities for you. If you have not yet applied for a clothing grant of **£110** per child and free school meals, it's not too late. It usually closes in March. . Please see

Our School Pantry

Mr Stewart runs our school pantry and has links with ASDA. However our Parent Council has successfully applied for a grant to try to keep it replenished. They also have created a good link with the coop and this has kept our pantry fully stocked. The pantry is in the foyer and you are welcome to help yourself. Remember to bring a bag. If you need further support during this time, please contact us and we will try to help or signpost you to appropriate support.

Parent Council

Our next meeting of the **Parent Council is on Zoom Tuesday 16th Feb at 6 pm.** These meetings on Zoom have been very successful as more parents have been able to join. You can pop into the meeting with your camera and microphone on or off. Please email the parent council for your zoom code Parkviewparentcouncil@hotmail.com

WE NEED YOU!

We are a friendly group who are working together to improve our school for our children. We really need new members. You will be made welcome.

We Welcome Your Views and will be including a tear off slip for you to return on every newsletter. However please feel free to contact by letter, email or phone at any time.
