Primary Parents Meeting**
on Zoom Tuesday 10th
November 2020 6pm

Holidays

We stop on Tuesday 22nd
Dec and return on
Wednesday 6th Jan 2021

Hallowe'en

We will be having Hallowe'en fun activities on Friday 30th October. Our parent council is also paying for snacks. Children can choose to come to school in casual clothing or can come dressed up or even in school uniform if they wish. The outfit should be warm and comfortable as the children will be in class all day and playing outside in it. Accessories cannot be permitted.

This means we **cannot** have

- Headgear , masks
- Swords, knives
- Facepaint
- Fake blood
- Impractical costumes such as large outfits or boxes, inflatables

We are thinking of our children's comfort when making these decisions. Usually we would have had a disco and parade where children can wear all sorts of weird and wonderful costumes but unfortunately this will not be possible this year but we will still have a great Hallowe'en.

Christmas

We are already thinking about Christmas and plan to have a full programme of Christmas fun for our children. Watch this space!

Parent Council

Our next meeting of the **Parent Council is on Zoom Tuesday 3rd November at 6.30pm**. These meetings on Zoom have been very successful as more parents have been able to join. You can pop into the meeting with your camera and microphone on or off. Please email the parent council for your zoom code Parkview-parentcouncil@hotmail.com

New School—North Kelvinside Primary

There will be a Zoom meeting on **Tuesday 10th November 2020 at 6pm** for parents. We are really keen that we get as many parents as possible taking part as our pupils will make a large percentage of the new school. We want you to have a say on things that will affect our children e.g. what the uniform will be, what the badge will be, who the Headteacher will be. It is anticipated that the school will open in the spring/summer of 2022. We will inform you of the codes nearer the time.

Everything we do at Parkview is based on our values of

Respect, Honesty, Kindness, Inclusiveness and Fairness.

Car Free Zone

We are delighted that so many of our parents are no longer bringing cars into access street. This had been a major safety concern for us. Every car that drives into the access road poses a threat to our families as there is no proper turning point. However there are far fewer cars now. So many parents have commented on this. Thank you so much for your support.

School Lunches

A new menu is available on www.fuelzoneprimary.co.uk

Good News re. Our School Pantry

Mr Stewart runs our school pantry and has links with ASDA. However our Parent Council has successfully applied for a grant to try to keep it replenished.

A message from Mrs Bakewell's Eco Committee

Please bring in your plastic bottle tops!

Maryhill Parish Church will be working with the school in November to create an outdoor artwork made of plastic bottle tops. We will need a lot of bottle tops for this, and we'll collect the tops from the bottles of water that the children drink at lunchtime. However, we need **your** help too. Please could any plastic bottle tops that you collect at home be brought into school for us to use? (We'll sanitise them all here before the children work with them.) There will be a tub for the tops just before the school front door. There will also be a tub in the lunch hall if the children bring their tops in. Thank you for your help and support!

We Welcome Your Views and will be including a tear off slip for you to return on every newsletter. However please feel free to contact by letter, email or phone at any time.
